

## B | Disc Duplications

**IMPORTANT NOTICE:** We cannot duplicate copyrighted material without the expressed consent of the owners of the copyright. Examples of what we cannot duplicate are movies, TV shows, or audio CDs not created by the client. An exception can be made if material to be duplicated is for educational or instructional purposes, but only if material is used as part of an educational presentation.

### Disc Duplications

These rates are for duplicated, not replicated DVDs. **We use inkjet hub-printable CDs and DVD-Rs.**

**When comparing our prices with other vendors, be aware they add \$.15 surcharge for this type of disc.**

For color printing with logo or clip-art, add \$.35 per disc on orders less than 200.

For full bleed disc printing, add \$.50 per disc on orders less than 200.

In cases where the client does not supply a master DVD, a master DVD must be made. See DVD creation chart.

This chart applies to all disc duplications except for weddings and legal depositions produced by Athens Video.
